Peregrine Proud

Kim Sannes, Director at Large

What does Peregrine Proud Mean?

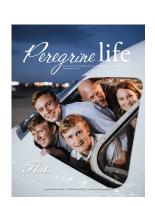

- Peregrine is evolving to the changing demographics, the maturity of our infrastructure, and the demand of sustaining our premier mountainside community
- Having an engaged community is a central focus that drives the Peregrine Way of Life
- Peregrine Proud initiative strives to include all Peregrine residents working together to improve and create community pride in our individual homes, streets, and neighborhoods
 - All Peregrine Master Association members have an equal opportunity to be involved and to influence and shape the future of Peregrine

Peregrine Proud

- Ways to be engaged and make a difference in our community:
 - Friends of Peregrine
 - become a Block Captain
 - write an article for the Peregrine Life magazine
 - volunteer to create or support a community program/event
 - volunteer to be on a committee that interests you
 - help your neighbors with snow shoveling and fire mitigation
 - Run for the Board!

Peregrine Proud

- Peregrine leaders are constantly working towards better communication, improved security, valued community improvement projects, and well attended special events
- These are key components to bringing our community together and keeping Peregrine a desirable and special place to live

We Need You

By working together, we can inspire each other and preserve the beauty, safety, and value of our properties and neighborhoods
